CLOSING HYMN

God Be With You # 82

When our Lord was 12 years old, Mary and Joseph and their whole physical family went a days journey **thinking** Christ was with them, only to find out in the end He was not. The Scriptures tell us to *“be not deceived”*. What a tragedy to travel through our whole lives just **assuming** the Lord is with us, only to find out in the end he is not.

Give diligence to make your calling and election sure! Ask the Lord for our Daily bread (as He taught us to pray). We need to see Christ, have communion with Him, delight in Him, and feast on him every hour. Not just when we get to the place we are going, but **the whole** of the journey in this valley of the shadow of death!

When a person feels too sinful or wretched to be saved by Christ, it is not humility and low thoughts of self. It is self-righteousness and a low thought of the Master's redemptive work. *He must increase, I must decrease.*

“Thy people shall be willing in the day of thy power”
Psalm 110:3

“Thy people”: The Lord has a people whom the Father gave before the Foundation of the world. They are given to his Son, Jesus Christ. They are his people.

“shall be willing”: His people are made willing through Christ's blood redemption. In his death, he destroyed the body of sin that they were part of. He has made them members of his own body. By the gift of his Holy Spirit and fruit wrought in them by the life of Christ, they believe and willingly *“follow the Lamb whithersoever he goeth”* (Rev 14:4).

“in the day of thy power”: His power in us is the same resurrection power which raised Christ from the dead. This power is revealed in his people under the preaching of the gospel, The Spirit makes the word effectual in them to the saving of their souls. *“For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God”* (1 Corinthians 1:18).

And the LORD spake unto Moses, Go unto Pharaoh, and say unto him, Thus saith the LORD, Let my people go, that they may serve me. – Exodus 8v1

Brethren, everything God has done in the past and everything God is doing in this world today—the good and the evil, the big and the small—is God sovereignly delivering his people from the power of satan and satan's seed so we can serve the Lord Jesus Christ.
